

# 9

## **MONTGOMERY COUNTY**

Despite Montgomery County's 2015 population of 226,519, relatively little civil asset forfeiture activity appears in the court record here. Police seized five firearms from property owners who were not charged with crimes but seized no cash from people who were not charged with crimes. In 77% of all cases linked to criminal charges, the person charged was black (county is 58% black).
