

BEFORE THE JUDICIAL INQUIRY COMMISSION OF ALABAMA

Inquiry Concerning a Judge, No. ____.

COMPLAINT AGAINST JUSTICE TOM PARKER

We write to lodge a complaint against Justice Tom Parker relating to the

October 6, 2015, interview he gave to Bruce Fischer on his Food Point radio show.

interview. Justice Parker is asked about and comments on Ex parte State v. King.

No. 1140460, pending before the Alabama Supreme Court.

In King, relators Alabama Policy Institute² and Alabama Citizen Action Program, in response to U.S. District Judge Callie V.S. Granade's decision

Inst. and Ala. Citizens Action Program's Br. Addressing the Effect of Obergefell on This Ct.'s Existing Orders, attached hereto as Exhibit B, at 19-30.

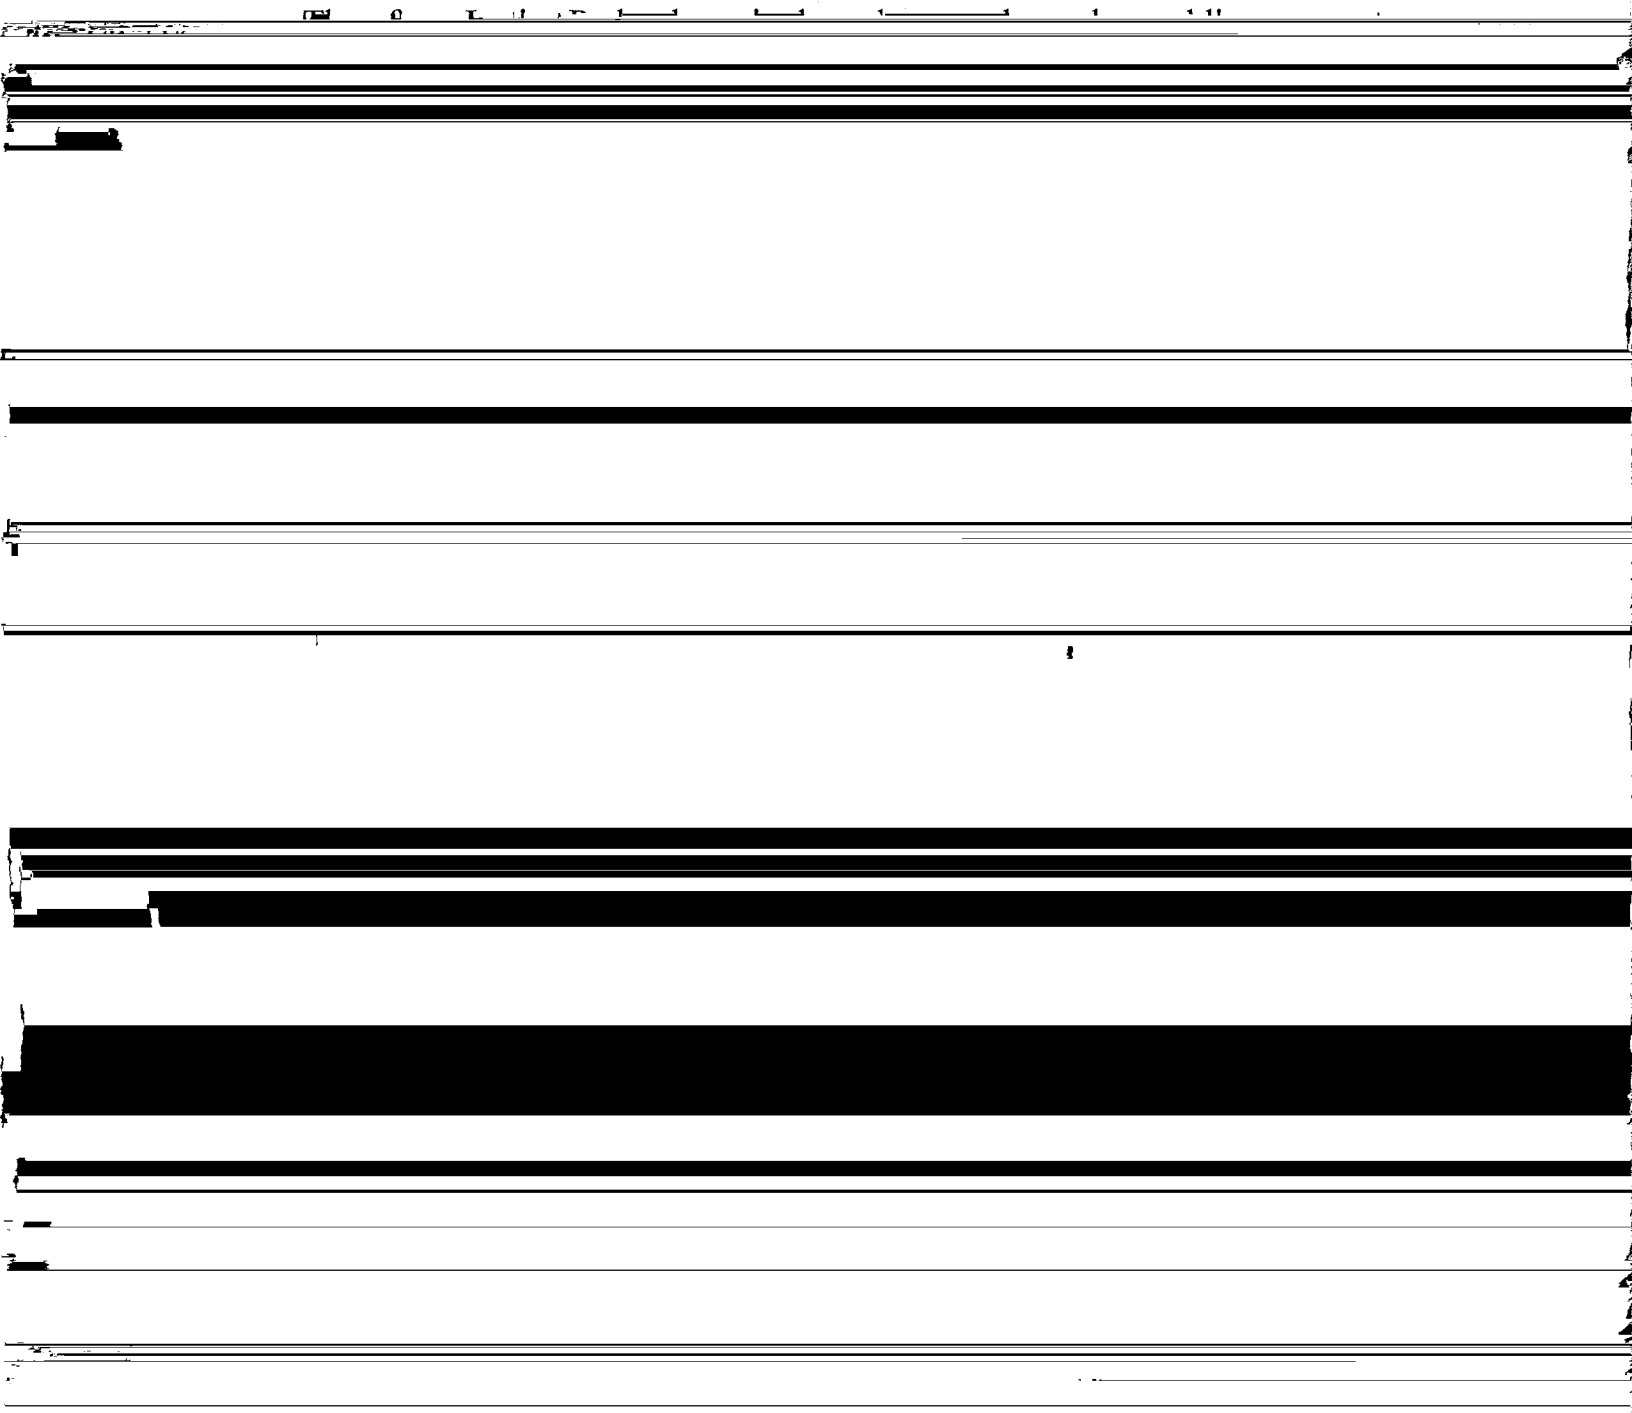

In the interview, Justice Parker acknowledges the pendency of the King case. See Ex. A at 4-5, 10 (discussing King and, inter alia, acknowledging that

refused to accept that mandate, so the reversal was never acted on.

I think it was a model of what we need to see in this county.

Ex. A at 2-3.

Justice Parker's disdain for the federal judiciary and the Supreme Court's

“revival,” that is, stand up to and defy the United States Supreme Court. See Ex. A at 1, 2–3. Such rallying cry not only violates the Canons of Judicial Ethics, it violates his oath to uphold the Constitution because “[n]o . . . judicial officer can war against the Constitution without violating his undertaking to support it.”

Cooper v. Aaron. 358 U.S. 1. 18 (1958).⁵
